

# Englewood Healthy Community Forum

**June 18, 2011**

We are seeking organizations that would like to setup and distribute information at the Englewood Healthy Community Forum. The purpose of the Englewood Healthy Community Forum is to develop a community action plan to encourage healthy eating, increase demand for healthy food, create an equitable and accessible food system and improve the health and wellness of individuals, families and communities. The program is being hosted by University of Illinois at Chicago in conjunction with Team Work Englewood, Greater Englewood Garden Association and Openlands.

**The program will be held at Kennedy King College at 740 W 63<sup>rd</sup> Street in the Great Hall. We are expecting 100-150 participants. Please see attached agenda for program layout.**

- The program will be held from 9:15 a.m. to 1:15 p.m.
  - Doors open for setup at 8:00 am.
- You will be provided with one 8 foot table.
- Table cloths will not be provided.
  - Refreshments will be provided.
